

CEO Message

Dear Supporters, Partners, and Friends,

It is with immense gratitude and pride that I reflect on the incredible journey we have undertaken together to make a difference in the lives of children in need. We have had another extraordinary year, and I want to express my heartfelt appreciation for your unwavering support.

In 2022, we made substantial strides in our mission to provide hope, relief, and opportunities to children facing adversity through **World Emergency Relief's** worldwide efforts to deliver practical assistance to fight hunger, disaster and despair and through **Native American Emergency Relief's** outreach to increase access to nutritious food, safe water, and essential firewood.

As we look to the future, we are filled with hope and determination. Together, we will continue to be a beacon of light for children facing adversity, providing them with the love, care, and opportunities they deserve.

With heartfelt gratitude,

Kristy Scott
Chief Executive Officer

Program Overview

Measuring success, one child at a time ...

Our commitment to improving children's lives continues through our two primary outreaches, **Native American Emergency Relief & Children's Food Fund**. NAER's focus is to improve the lives of Native American's by providing food, blankets, firewood, water barrels and agricultural support. CFF programs concentrate on feeding children and providing resources for their basic needs.

Through these programs, WER provided over **\$37 million** in food, medicines, hygiene and disaster relief supplies to people in need.

In 2022, our faithful donors helped us to:

- Provide life-saving food for over 56,000 African families.
- Ship over \$10 million in urgent relief supplies to Ukraine.
- Deliver over 2.4 million pounds of fresh produce and non-perishable foods plus warm blankets, firewood, and water barrels to Native American families.
- Respond to a record number of disasters – providing hope, healing and emergency relief to our fellow Americans in their time of need.
